

PLEASE HELP THE OLD-BRULE HERITAGE SOCIETY CARE FOR THE DAVIDSON WINDMILL SITE AND COMPLETE THE MEMORIAL WALK.

For the comfort and safety of our guests, the Old-Brule Heritage Society is completing a sidewalk that joins our parking area, the Davidson Windmill and the Eskolin Log House. Built into the walkway are dark brick pavers which will carry the names of donors or special others as memorials for helping us in our cause. The ConocoPhillips Corporation provided a generous sidewalk materials grant, but we continue to need help.

If you would be interested in joining us in this campaign please send us each of the names you would like to see among the 1000 total pavers. The pavers are 4 inches wide and 8 inches long, and the design allows for one or two rows of letters along each paver's length. Only 15 letters maximum from end to end, per row, can be engraved on each paver, including spaces. The names will be centered on the paver.

Please print the name exactly as you would like it to appear within the rows of boxes below, after our two examples, "JOHN MAKI 2009" and "JOHN & MARY MAKI". Please enclose a \$15 donation for each paver requested and mail your order to the address below. Our example below of two pavers as shown would require a donation of \$30.00. Please use additional copies of this form for more than two pavers.

Thank you for your interest in the Davidson Windmill and in our mission of sharing the history and heritage of the Old-Brule region in northern Douglas County.
