

## Monticello School Museum & Archives Project Updates

Fund-raising for the restoration project continues in earnest with our dedicated fund account balance now over **\$13,000**, and with enough now with other funds available to see basement construction start as weather permits. It would be wonderful to see this dedicated fund top the \$20,000 mark which would free up the other funds for future development and projects on site. We are still planning to do stage performances with historical themes, and to create literature and other displays in support of the history of the site and early education in our region. The facility will also be the site of future historical displays and programs having to do with immigration, church life, farming and the other industries, such as mining, railroading and logging that sustained the life of early settlers. The Brule River and its deep history with the fur trade, Lake Superior fishing and the shipping industry are potential topics.

Larger donations were early received from **Douglas County, the Pellman family, Lois Pollari, Earl & Barbra Granroth, Paul, Trenton & Gabbie Colby, Geraldine Fechtelkotter, Emery Mattson's Mattson Properties in Ashland, Ina Falk, Gary Luoma, Hope Swenson, Mary Ann Gronquist, Gordon Lahti, Laila Magnuson, Audrey Hakkila, Gene & Agnes Davidson, John & Doreen Swanson, Dennis & Arlene Hill, Shirley & George Umolac, Lulich's Implements, Ed & Judy Privette, Jerry & Pat Anderson, Jan Stevens & Donna Johnson in memory of their father, Oscar Anderson, Cindy & Duane Crider, Janine & Doug Seis, Jim Pellman.** Thanks to everyone for their generous memorials in **Delores' Pellman's** name, in memory of the late **Muriel Idziorek**, mother of **Member Jan Conley**, in memory of **Member George Umolac** & in memory of **Helen (Mrs. Wm.) Niemi**.

Please help with donations if you can, and much thanks to all who have already given so much.

**Kevin Mackie Construction** has been contacted for a date when work on the Basement Project might begin.

The Musical Fund Raiser at Krobar netted close to \$3,000. Our thanks to **Dean Baillie and Krobar**, to the musicians **Russ Darwin, Joe Lindzius, Ted Pellman, Brian Raivala & Dustin Soyring**. See below the names of all the businesses and individuals whose generous donations made our prize drawings and our musical historical event such a success. The Committee & our Membership also deserves a special thank you. -President Shirley K-U
